Moving Towards A Better Future

WITHDRAWING FROM THE FUND

WITHDRAWING FROM THE FUND

When you resign, abscond, are dismissed, contract ends or retrenched from your employer and you decide to leave the Road Freight industry - your total retirement fund savings/fund credit will be paid out to you as a lump sum.

REMEMBER

If you are moving to another company within the Road Freight and Logistics Industry your membership will transfer to the new company and you will continue to be a member of the Fund and will continue to contribute to the Fund. Your retirement fund savings will therefore not be paid out.

When you leave the Road Freight industry and exit the Fund you can:

- Transfer your benefit to your new employer's Fund;
- Transfer your benefit to a preservation fund of your choice;
- Transfer your benefit to a retirement annuity; or
- Your fund savings can be paid as a cash payment into your bank account.

If you take your benefit in cash only the first R25 000 is tax free.

HOW YOUR BENEFIT IS CALCULATED

WHAT IS A LIEN?

A lien is a deduction by the Pensions Funds Act to pay for:

- Maintenance orders (child support);
- Divorce orders;
- Home loans attained through the Provident Fund;
- Refund of damage caused to the employer by theft, fraud or dishonesty.

WHY PRESERVATION OF BENEFITS ARE IMPORTANT

When you take your fund benefit in cash when you exit the Fund, rather than preserving it, you take the risk of not having saved enough money when you retire.

Every time you change jobs and take the money in cash to spend, you are shortening your savings period. The shorter the savings period the worse off you will be. Shortening the savings period by just 5 years reduces the retirement benefit significantly. Preserving your fund benefits every time you change jobs will give you the best chance of retiring comfortably.

NOTE ON RETRENCHMENT

If members are voluntarily retrenched and they are younger than 55 years - the exit is seen as a withdrawal from the Fund and is paid as a resignation benefit. **The tax free amount is R 25 000.**

If the member is older than 55 years or involuntarily retrenched - the exit is seen as a retirement from the Fund and the benefit is paid as a retirement benefit. **The tax free amount is R 500 000.**

NOTE - YOUR TAX NUMBER

Get your tax number from SARS before you submit your claim. Without it the Fund can't pay out your claim.
